can see your body is soaking bath water,  
 no panties on, come on'  
 wrap up your hair, leave on your heels,  
 kissing you while i whisper shawty how it feels?  
 ' wonder, oh, you're thinking dirty,  
 i was thinking you can rub, miss kentucky dirty!  
 i dream about it, let's take advantage  
 my body on your body, hope that you can manage!  
 gotta moan it, damn, it feels good,  
 let her now i'm still hood,  
 damn right, so.. real,  
 ..she know the deal!

chorus:  
 baby, you don't have to try to read my mind,  
 .....

ah, so quit the contemplating, skip the conversation,  
 ..your lip just gave me confirmation!  
 was that channel 5? very sexy fragrance,  
 are those your real eyes?  
 can tell you're partially asian.  
 but i know your body got me focused, i'm just so sedated  
 and i guarantee i do you better than your'  
 body to body, where is the sunny  
 i hit the spot i'll make you tsunami.  
 change up the sheets, no time to sleep,  
 asked what she's thing she replied that i'm a beast!  
 yeah she replied that i'm a beast,  
 got me locked between the sheets and leave me in the streets.

chorus:  
 baby, you don't have to try to read my mind,  
 .....

we'll make love on the floor, you kissing my tattoos,  
 i'm pulling your hair you scream my name,  
 call me daddy, baby i got you!  
 go get it, you better lay down, down, down,  
 girl, are you ready, cause i'm gonna  
 Want you face down, down, down!  
 right now i'll fuck you'with a real freak!

chorus:
