The first system of music consists of two staves. The top staff is a treble clef with a key signature of one sharp (F#) and a common time signature. It contains a whole note chord followed by a repeat sign. The bottom staff is a bass clef with the same key signature and time signature. It contains a rhythmic pattern of eighth notes and quarter notes, with a repeat sign at the beginning.

The second system of music includes guitar chord diagrams for Em and Am7. The Em diagram shows the 2nd, 3rd, 4th, and 5th strings on frets 2, 3, 4, and 5 respectively. The Am7 diagram shows the 2nd, 3rd, 4th, and 5th strings on frets 2, 3, 4, and 5, with the 1st string on the 2nd fret. The instruction "molto rall." is placed between the diagrams. The musical notation shows a treble staff with a whole note chord and a bass staff with a rhythmic pattern.

The third system of music includes guitar chord diagrams for D, C, and Em. The D diagram shows the 2nd, 3rd, 4th, and 5th strings on frets 2, 3, 4, and 5. The C diagram shows the 2nd, 3rd, 4th, and 5th strings on frets 2, 3, 4, and 5. The Em diagram shows the 2nd, 3rd, 4th, and 5th strings on frets 2, 3, 4, and 5. The instruction "last time" is placed above the treble staff. The musical notation shows a treble staff with a whole note chord and a bass staff with a rhythmic pattern.

VERSE 2:

You're not on your own,
 You feel a chill
 Go through your bones,
 You're not on your own.
 There's something wrong,
 You call your doctor
 On the phone,
 He's not at home.
 You leave a message
 After the tone,
 "I'm cold as stone."

VERSE 3:

You're back again,
 You send a curse out
 In the night,
 You're back alright!
 You're travel worn,
 Standing here
 In the town where you were born,
 It's not your home.
 The mirror sees you
 So alone
 Cold as stone.

cold as stone

1

You're back again,
You roam the streets
And crack again,
You're back again.
You're travel worn,
Standing here in the town
Where you were born,
It's not your home.

The mirror sees you
So alone,
Cold as stone,
Yeah.

2

You feel a chill
Go through your bones,
You're not on your own.
There's something wrong,
You call your doctor
On the phone,
He's not at home.

You leave a message
After the tone,
"I'm cold as stone."
