I fell by the way - side  
Was ne-ver the right time  
like ev-'ry-one else  
when-ev-er you called

I hate you I hate you I hate you but I was just kid-ding my - self  
Went litt - le by litt - le by litt - le un - tl there was noth-ing at al

Our ev - er - y mo - ment  
Out ev - er - y mo - ment  
I start to re-place  
I start to re-play

Cause now that you're gone, all I hear are the words that I need-ed to say  
But all I can think a-bout is see-ing that look on your face

When you hurt un - der the sur - face  
Like trou - bled wa - ter run - ning cold

14

Well, time can heal but this won't

18

So be - fore you go Was there some -

22

thing I could have said to make your heart beat be - tter If

24

on - ly I'd have known you had a storm to weath-er So, be - fore you

28

go Was there some - thing I could have said to make it

31

all stop hurt - ing It kills me how your mind can make you feel so worth - less

34

1. So be-before you go.

2. So

39

be-before you go would we be bett - er off by now If I'd

43

let my walls come down May-be I guess we'll ne - ver know

47

be-before you go was there some -

52

thing I could' ve said to make your heart beat be - tter If on - ly I'd have know you had a

55

storm to wea-ther So be-before you go was there some -

60

thing I could've said to make it all stop hurt - ing It

62

kills me how your mind can make you feel so worth-less So be-before you

66

go
