love song Ill be sick Oooh

[Verse 2: Adam Levine]

You turned your back on tomorrow
 Cause you forgot yesterday
 I gave you my love to borrow
 But you just gave it away
 You can't expect me to be fine
 I don't expect you to care
 I know I said it before
 But all of our bridges burnt down

[Bridge]

I've wasted my nights
 You turned out the lights
 Now I'm paralyzed
 Still stuck in that time when we called it love
 But even the sun sets in paradise

[Hook]

I'm at a payphone trying to call home
 All of my change, I spent on you
 Where have the times gone
 Baby, it's all wrong, where are
 the plans we made for two
 If happy ever after did exist
 I would still be holding you like this
 And all those fairytales are full of shit
 One more fucking love song I'll be sick
 Now I'm at a payphone...

[Verse 3: Wiz Khalifa]

Man, fuck that shit
 I'll be out spending all this money
 While you sitting around wondering
 Why it wasn't you who came up from nothing
 Made it from the botton
 Now when you see me I'm stuntin'
 And all cars start with the push of a button
 Telling me the changed since
 I blew up or whatever you call it
 Switched the number to my phone
 so you never could call it
 Don't need my name on my shirt,
 you can tell that I'm ballin'
 Swish, what a shame, coulda got picked
 Had a really good game but you missed your last shot
 So you talk about who you see at the top
 Or what you could've saw
 But sad to say it's over for
 Phantom pull up, valet open doors
 Wiz like go away, got what you was looking for
 Now it's me who they want
 So you can go take that little piece of shit with you

[Hook]

I'm at a payphone trying to call home
 All of my change, I spent on you
 Where have the times gone
 Baby, it's all wrong, where are the plans we made for two
 If happy ever after did exist
 I would still be holding you like this
 And all those fairytales are full of shit
 One more fucking love song I'll be sick
 Now I'm at a payphone...
