When your feet are made of stone
And you're convinced that you're all alone
Look at the stars, instead of the dark
You'll find your heart shines like the sun
But let's not let our anger get us lost

When the need to be right comes with way too high a cost

That's when you can build a bridge of light,
That's what turns the wrongs all right
That's when you know it's worth the fight.
That's when love turns nighttime into day,
That's when loneliness goes away,
That's why you gotta be strong tonight,
'Cause only love can build us a bridge of light.
